## Newcomer Rocket Lab Secures Spire As Their Next Customer

 LISTEN TO PARAGRAPH 

Rocket Lab, the venture capital-backed space start up, is constructing the first private launch range in the world. The company told TechCrunch that they have secured Spire as their next customer for a launch later this year. While Rocket Lab has yet to fly their first commercial mission, Spire has made an agreement with the launch provider for an impressive 12 launches over the next 18... [Read More](#)
